

2010 Census It's in OUR hands

- The 2010 Census will have one of the shortest census questionnaires in the history of the United States.
- It takes less than 10 minutes to complete.
- Federal law protects the information you share during the Census.
- Census data is used to distribute \$300 billion in federal funds annually for programs such as; education, housing, school construction, roads, libraries, public transportation, grants, also, where to locate new factories, hospitals, shopping centers, and child-care centers.
